

NAVY BATTLES ON MANHATTAN FIELDS TODAY

New York, Oct. 21.—The football season is rapidly reaching the full swing of its annual ebb and flow. The games on eastern gridiron offer the best and most varied program of the autumn to date. Intercollegiate football, a revival of almost forgotten classics and the most unexciting of sports, promises to furnish an afternoon of play which will be epoch-making in the annals of the sport.

The University of Chicago eleven returns eastern relations after a lapse of some years in meeting Princeton in the fair of the Tiger. While not over confident of victory Chicago expects to extend the Nassau team to the limit.

The Yale Army series will be renewed after an eight year break when the West Point cadets played the Yale at the Yale bowl. A number of novel features cluster about this contest for it will be the first time that the United States Military Academy eleven, escorted by the cadet battalions, has left the West Point plains in recent years to play football against an opponent other than the Navy.

The first Yale-Army game was staged in 1893 and for twenty years the big event journeyed annually to the Point for the conflict with the soldiers and cadets they were as a place at the old time across will show. In the previous years 1893 and 1915 Yale and Army met twenty times during which the blue won thirteen games, West Point three and the game was a tie in 1912.

Yale won the last contest 5 to 0 in 1912. There is every reason to expect an equally close contest at tomorrow's date which will be witnessed by more than 75,000 spectators.

Harvard will entertain the Penn State team, defeated since 1919, at the Harvard Stadium and another thrilling battle is forecast. Both teams have made an excellent record in the season. Harvard has won five games but with one touchdown scored against her, that by Georgia University last Saturday. Penn State has won all four games to date by double figure scores and is the only team which has scored the goal line, the solitary touchdown being made a week ago. The Harvard-Penn State series was temporarily dropped at the close of the 1919 season when the school had won that year 12 to 0. The previous year the two eleven battled to a tie at 13-13.

Syracuse, with a team remarkable for both weight and speed, will invade the University of Pittsburgh field tomorrow upon visiting the 7 to 7 tie of a year ago.

Cornell will face Colgate after running up large scores this season to a total of more than 200 points. Colgate has played impressive football, notwithstanding its 13 to 0 defeat by Princeton and the twenty-first annual struggle between these central New York rivals is likely to be the most productive of the hardest kind of a game.

Dartmouth and Columbia will figure in a conflict staged at Hanover. Dartmouth will be without the services of several of her best players which will remove any superiority which might have existed in favor of the Green.

Pennsylvania will act as hosts to the Virginia Military Institute eleven which caused a 1919 upset by defeating the Quakers 27 to 7.

The leading games of the day in the east and the scores of a year ago follow:

Chicago at Princeton—did not meet.

Army at Yale—did not meet.

Penn State at Harvard—did not meet.

Columbia at Dartmouth—did not meet.

Colgate at Cornell—5 to 45.

Syracuse at Pittsburgh—7 to 7.

Detroit at Boston College—did not meet.

Stanford at Brown—0 to 14.

Georgetown at Holy Cross—did not meet.

Virginia Military Institute at Pennsylvania—27 to 7.

Washington and Jefferson at Lehigh—14 to 9.

Lafayette vs. Fordham at New York—did not meet.

Massachusetts Aggies at Amherst—did not meet.

Colby at Bowdoin—did not meet.

Maine at Bates—14 to 8.

Boston University at Trinity—did not meet.

Norwich at Tufts—0 to 7.

New Hampshire State at Vermont—0 to 7.

Middlebury at Williams—did not meet.

Rhode Island State at Worcester Poly—0 to 10.

BEST IN EASTERN BASEBALL

AT FAIRGROUNDS SUNDAY

The baseball public of Norwich and nearby towns will be treated to a real classic tomorrow (Sunday) afternoon when the Norwich Kacays and Taftville club will play for a final game.

Contrary to former methods both clubs are announcing their lineup. After a careful perusal of each team we must admit it would be a difficult matter to even suggest men more competent to deliver gift edge ball.

With Callahan and King, two leaders of the Worcester Eastern league club and Paul Johnson of North Grovernorale,

ANOTHER BIG GAME

SUNDAY, 23RD

TAFTVILLE BASEBALL CLUB

VS

NORWICH K. OF C.

Game Called at 2 p. m.

BATTERIES—Lindstrom and Murphy for Taftville, Kahn and Wilder for K. of C.

this year with Connie Mack's Athletics, Taftville has a top notch outfield. Christy on third and Murray short stop, both of Worcester, Cooney, second, a member of the Milwaukee Braves and Chief Verre, first base, the infield looks as light as a drum head.

Swede Lindstrom also of Worcester, who pitched a brilliant game last Sunday at Worcester, Cooney, second, a member of the Milwaukee Braves and Chief Verre, first base, the infield looks as light as a drum head.

An equally good team has been signed by the Kacays.

McGowan of the Norwich International league team with a record of 29 home runs will play center field. This man is now the property of the Philadelphia Americans. Martin, who has been seen in two previous games in left field and who has capitulated overboard by his heady playing will again be seen here. This man goes into center company next season as a member of the New York Yankees.

Bodie McKay, than whom no pitcher has shown better in the league series will again cover right field, with Joe Cosgrove, manager and player of the Waterbury club on first; Torphy also of Waterbury, second; Shea of New Haven and shortstop and Butler of the Kansas City team on third. Taftville will have to go to get a ball past the infield. A new battery for the Kacays will be produced. Kahn, premier pitcher of Waterbury team who won 25 out of 32 games this season will deliver and Brick Wilder of the Worcester club will pitch.

If we were to comment on tomorrow's attraction it would only say that the people of this section of the state are most fortunate that the two managements were able to bring such teams here.

The lineup is as follows:

Kacays—McGowan, cf; Martin, 1b; McKay, 3b; Cosgrove, 2b; Torphy, 2b; Butler, 3b; Wilder, cf; Kahn, 1b; Reddy, utility; Shea, ss.

Taftville—Callahan, 1b; King, cf; Johnson, 3b; Christy, 2b; Murray, ss; Cooney, 2b; Verre, 1b; Lindstrom, p; Murphy, c.

YALE LINEUP HAS BEEN DEFINITELY PICKED OUT

New Haven, Oct. 21.—That only one place is still undecided in the lineup of the Yale team against West Point was shown yesterday afternoon at the field when into and hidden both played at left tackle in the signal drill and in the dummy scrimmage of the first game.

The rest of the lineup which will start the Army game, and which went through signals and through a dummy scrimmage during the afternoon, was: Blair, left end; Crutcher, left guard; Landis, center; Gurney, right guard; Miller, right tackle; Deaver, right end; Egan, quarterback; Aldrich, left halfback; Malory, right halfback; and Jordan, fullback.

This lineup had twenty minutes of signals and an equal period of dummy scrimmage. Aldrich punting and later drop kicking from behind the line of scrimmage.

Later on the second team had the same kind of work. The lineup for the second team was: Hulman, left end; Into and McKay, left tackle; Butty, left guard; Cross, center; Coltrane, right guard; Egan, right tackle; Eddy, right end; O'Hearn, quarterback; Neidinger, left halfback; Spieden, right half back and Wright, full back. This team had some practice in passing and as well as protecting O'Hearn when he was punting and drop kicking.

The only coaches outside the regular staff who were at the field were L. H. Bigelow, George Geers and C. J. LaRoche. There will be only eight players today, consisting of a signal drill for the Kacays and the Army will have ample time to use the field and get accustomed to it.

The rain during the week has put the field into excellent condition for the game.

A demerit received from West Point late last night reveals the loss of French, the star halfback man to the Cadets for the game tomorrow. The authority for the statement could not be determined last night, but it is believed to be authentic.

K. OF C. ATHLETICS TO BE BIG THIS YEAR

The state athletic committee of the Knights of Columbus will meet at the K. of C. club in New Haven Sunday afternoon. Frank Lynch of New Haven, who is secretary of the committee reports that he expects over 20 councils to be present Sunday and the winter program will be mapped out. There is a great deal of interest being shown in all parts of the state with baseball and bowling, and it will be around these two branches of sport that most of the activities will be centered.

Last year's successful Kacay basketball league has caused the councils who were not members of the league to apply for admittance, and among the new comers will be Waterbury, who, by the way were the state champions last season. Torrington and Windham, two arch rivals in the Litchfield league are ready for the white blow as in Manchester.

The Bridgeport Kacays are ready to go in this year, and it should be noted that New Haven should prove to be a thorn in the side of the Park City five owing to the overwhelming defeat they were given here last year. Reports have it that Naugatuck is anxious to be admitted and with Waterbury for rivals there should be plenty of excitement in the valley. New Britain and Middletown are all set, and both councils report that they will be stronger than ever.

All in all the prospects for a big Kacay basketball year are exceptionally bright, and bowling is another sport that shows every promise of being a hit in the state. County leagues are being planned for the devotees of the alley sport and in this way many of the smaller councils will be able to compete with the larger councils as there are available bowling alleys in nearly every town in the state.

WINDHAM HIGH DEFEATS KILLINGLY BY BIG SCORE

(Special to The Bulletin)

Windham, Oct. 21.—Windham defeated Killingly 26 to 8 at Recreation park in an exciting game Friday afternoon. Windham burst the ground from under one of his old rivals, Killingly High, making their two touchdowns in the first 11 minutes of the game. The whole was marked by long distance runs by Windham. These were made by Mandell and Frenchy Overberger, and Reeves and Back each made good runs for Killingly. Captain Burr kicked off to Killingly. Killingly fumbled on the first play and the ball was recovered for

FINANCIAL AND COMMERCIAL

MARKET WAS UNSETTLED.

New York, Oct. 21.—Reaction by the railroad unions of the plans proposed by the railroad labor board to avert a strike effected declines of 1 to 2 points among transportation in the first half of today's stock market session.

There were nearly 100,000 shares traded, when Mexican Petroleum became the leader of a drive against the shorts and announcement came from Chicago that the brotherhood chiefs and railroad executives had been cited to appear before the labor board next week.

Nearly reversals extended to steel, rubber and leather, the former being rendered more vulnerable by the poor statements of earnings issued by the Indianawanna and Republic Companies. Equipments pursued a contrary course, however, and motors strengthened with utilities and numerous merchandising shares.

Popular oils forced ahead almost from the outset, foreign issues leading. Royal Dutch, which recently lost ground selling attributed to Dutch interests, ignored the proposed sensational investigation into its activities here. Mexican Petroleum registered an extreme advance of almost 5 points and all but a fraction of this was held at the finish. General Asphalt and Houston also showing substantial support. Sales amounted to 475,000 shares.

Call loans opened at 4 1/2 per cent, but the demand for funds over the week end was large enough to force the rate to 5 per cent, shortly after mid-day, without alteration, however, to time quotations. New England and western banks were in the market for merchandise paper.

Sterling forfeited part of yesterday's sharp rise and exchange on France, Italy, Belgium and Germany eased, but Holland, Norway, Sweden and Spain improved and the Shanghai rate advanced in response to London's higher price for silver.

Buying of liberty and victory issues, all at modest prices, to substantial extent, featured the lighter trading in bonds. Domestic rails reflected the heaviness of stock but foreign issues were devoid of special features. Total sales (par value) aggregated \$14,000,000.

rule a bad one," Colonel Huston added, "and unfair to players like Ruth. In talking with him today at Scranton I promised to use my best efforts to have the rule rescinded."

"I also promised to intercede in his behalf with Judge Landis to have the punishment as light as possible, in view of the fact that he feels now that he made a mistake."

Ruth told him, Colonel Huston said, that he had been offered his money to play independent baseball next summer. He is willing, however, to forego this and remain with the Yankees if the difficulty can be straightened out.

Ruth's harrowing trip was reported to have been a financial disappointment, the guarantee of \$1,000 a day offered to him by the promoters being barely exceeded by the receipts.

Judge Landis has not yet announced what punishment he would mete out to Ruth.

Scranton, Pa., Oct. 21.—Colonel Huston and Ruth had a long conference here today.

Ruth would not discuss the terms of the agreement. Neither would he say whether it would affect players Peyer, Meusel and Sheehan, but he did say that he represented these players in his talk with Huston.

Rocky Kansas Gets Judges' Decision Over Tender

New York, Oct. 21.—Rocky Kansas, Buffalo lightweight, received the judges' decision after his fifteen round bout with Lew Tonder, of Philadelphia at Madison Square Garden tonight.

Kansas was the aggressor throughout most of the match, gaining the advantage in ten of the fifteen rounds. Tender had the better of two rounds, the fourth and the fourteenth, and three of the first, eleventh, and twelve, were even.

Kansas caught Tender repeatedly with a vicious right hook, which rocked the Philadelphia boy and allowed him to considerably. In the ninth round Tender was floored with a right hook to the jaw but he refused to take a count. Kansas cut both of Tender's eyes badly in the ensuing round and Philadelphia's counter blow did not seem to bother him.

Tender had hoped to defeat Kansas and engage in a championship bout with Benny Leonard. Kansas started 12 rounds with the champion last winter. Kansas weighed 134 1-2 and Tender 124 pounds.

Goddard Seminary Wants Game With Local High Schools

Through an error in transmission, the score of the Goddard Seminary and the Norwich Freshmen game last Saturday was quoted wrongly. The score should have been 7 to 0 in favor of the Seminary team instead of 25 to 7 in favor of Norwich. Playing on the Goddard team are several boys from this city, Sammy Wilson, George Mullen, Frankie Crowell and C. Williams. The Goddard team is contemplating a trip through Connecticut and would like to arrange games with any high school in the state, especially with the Norwich Free Academy. The Vermont team is a strong aggregation and is out for the prep school championship of New England.
